SUPPLEMENTARY INFORMATION:

In accordance with the requirements of the PRA, the Agencies may not conduct or sponsor, and the respondent is not required to respond to, an information collection unless it displays a currently valid OMB control number. The Agencies are requesting comment on a continuing information collection.

Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the Agencies' functions, including whether the information has practical utility;

(b) The accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start up costs and costs of operation, maintenance, and purchase of services to provide information.

Title of Information Collection: Basel II Interagency Supervisory Guidance for the Supervisory Review Process (Pillar 2).

OMB Control Numbers:

OCC: 1557-0242.

FDIC: 3064-0165.

Frequency of Response: Event-generated.

Affected Public:

OCC: National banks.

FDIC: Insured state nonmember banks and certain subsidiaries of these entities.

Abstract: The agencies issued a supervisory guidance document for implementing the supervisory review process (Pillar 2). The guidance was issued on July 31, 2008 (73 FR 44620).

Sections 37, 41, 43, and 46 of the guidance impose information collection requirements. Section 37 states that banks should state clearly the definition of capital used in any aspect of its internal capital adequacy assessment process (ICAAP) and document any changes in the internal definition of capital. Section 41 requires banks to maintain thorough

documentation of ICAAP. Section 43 specifies that boards of directors must approve the bank's ICAAP, review it on a regular basis, and approve any changes. Boards of directors also are required under section 46 to periodically review the assessment of overall capital adequacy and to analyze how measures of internal capital adequacy compare with other capital measures (such as regulatory or accounting).
